# **HURON UNDERCOVER NARCOTICS TEAM**

1996 was a record breaking year for the Huron Undercover Narcotics Team (HUNT). Previous performance records were first shattered with the FY 95/96 statistical report to the State of Michigan, Office of Drug Control Policy, for the report period ending September 30, 1996. And now, with this annual report, we are again proud to say that HUNT officers outperformed virtually every performance category for the calendar year ended December 31, 1996.

As the following pages will show, officers of the Huron Undercover Narcotics Team conducted more investigations, arrested more persons, and conducted more searches than ever before in the history of the unit. In addition, arrest counts for 1996 were the second highest ever recorded and officers generated the fourth highest number of intelligence reports.

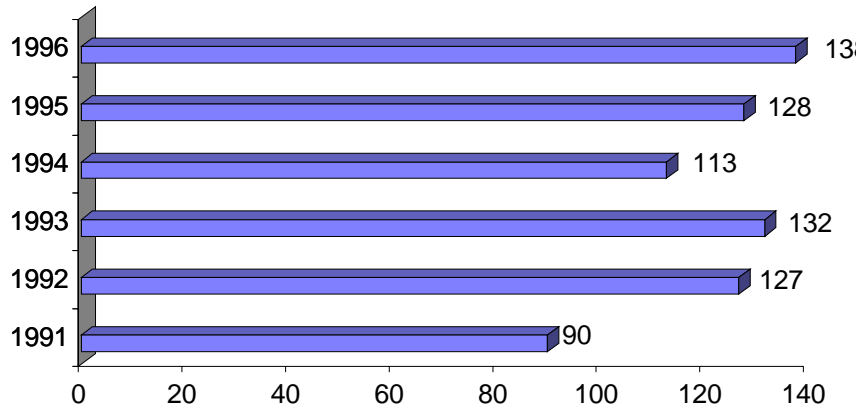

This annual report will show that drugs continue to be a problem in the communities we serve. The Huron Undercover Narcotics Team is a necessity. A major goal of our communities should be the enhancement of HUNT to help protect the future of our communities and the quality of life of our citizens.

The Huron Undercover Narcotics Team is a multi-jurisdictional drug task force that was formed in 1990 and operates in the counties of Alcona, Alpena, Montmorency and Presque Isle. The unit is made up of officers from the Michigan State Police, Alpena City Police Department, Alpena County Sheriff Department, and the Montmorency County Sheriff Department.

# **HURON UNDERCOVER NARCOTICS TEAM**

As the previous pages clearly show, the Huron Undercover Narcotics Team has once again made a huge impact in Northeast Michigan on drug dealing and drug related crimes. HUNT will continue to serve the public through aggressive investigations and cooperative prosecution of area drug dealers.

HUNT officers are to be commended for their tireless dedication in making 1996 a successful, record breaking year. Professionalism and integrity are the qualities that HUNT officers give to our communities. In return, the citizens of the communities we serve have come forward to offer their support and gratitude for a job well done. Community support is the key to this successful operation, and with that support the Huron Undercover Narcotics Team will continue to protect and serve our citizens.
